JOSIAH TURNER, Jr., EDITOR.

MR. STEPHENS ON THE TREATMENT OF PRISONERS OF WAR.—In his second volume of the "War between the States," Mr. Stephens definitely and emphatically snaps out the Radical lie that ex President Davis and the Confederate authorities were guilty of cruel treatment of Federal prisoners. Henceforth let us have no more of it from any quarter. He says:

This whole subject of the treatment of prisoners, which has become so prominent a feature in considering the conduct of the war on both sides, from the turn which has been given to it, I may as well dispose of here, at once and finally. This I do by stating broadly that the charge of cruelty and inhumanity towards prisoners, which has been so extensively made at the North, against Mr. Davis and the Confederate authorities, is utterly without foundation in fact. From the commencement and throughout the war, the whole course of Mr. Davis towards prisoners shows conclusively the perfect recklessness of the charge. His position on this subject, in the beginning, clearly appears from what we have seen, and that fully sustains this statement. The efforts which have been so industriously made to fix the odium of cruelty and barbarity upon him, and other high officials under the Confederate Government, in the matter of prisoners, in the face of all the facts, constitute one of the boldest and baldest attempted outrages upon the truth of history which has ever been essayed; not less so than the infamous attempt to fix upon him, and other high officials on the Confederate side, the guilt of Mr. Lincoln's assassination! Whatever unnecessary privations and sufferings prisoners on both sides were subjected to, the responsibility of the whole rested not upon Mr. Davis or the Confederate authorities.

APPOINTMENT OF A CADET—HE REFUSES TO TAKE THE TEST OATH.—A boy named Baldwin Alexander, about seventeen years of age, residing in Pulaski county, Virginia, having been appointed a cadet at the Naval Academy by Representative Gibson, of Virginia, underwent thorough examination, and passed. He made a favorable impression upon the Board of Examiners and the Secretary of the Navy, and his appointment was confirmed; but when asked to take the test-oath he declined, asserting that although he was a mere child at the commencement of the war, and but twelve years of age at its close, his associates, surroundings, etc., had created a sympathy in his mind and heart for those around him; and to swear that he had not sympathized with or countenanced the "rebellion," would be base perjury, and he could not do so. He could take all the remainder of the oath but those two terms. His honesty and candor elicited encomiums from the naval authorities, and Senator Johnson took the matter in hand and tried to have the youth admitted upon taking the proper constitutional oath. The law on the subject is imperative, and the Secretary of the Navy today informed Senator Johnson that Alexander could not be admitted to the academy as a cadet unless he subscribed to the iron-clad oath.—Senator Johnson will ask special congressional legislation in his case, and Representative Platt also stated that he would ask the removal of Alexander's disabilities by the House, and that he be allowed to enter the academy without taking the iron-clad oath.

SOMETHING TO LAUGH AT IF SEEN IN AFRICA.—We might have thought it absurd if Dr. Livingstone had written three years ago that he had found in Africa a tribe, the women of which dress as follows: "The Dayous are beautiful women, with exquisite complexion and fine forms, and they dress in the most perfect taste. They wear short dresses, reaching the ankles. Upon the forehead is perched a small hat, the front of which rests upon the nose. They take large bags of hair and wool, saturate them with butter and hang them on the back of the head, covering the neck. Upon the small of the back they tie a bunch of cotton cloth, colored and cut into strips. Their shoes are beauties, coming to a point at the toe and having the long and sharp-pointed heel placed under the middle of the foot. This makes the foot very small in appearance, but the wearer would tip over forward but for the bags on the head and back. Each woman, when she goes out, carries a large plaintain leaf to keep off the sun, which she holds by the stem between the thumb and forefinger, crooking her elbow up from her body at an angle of ninety. The effect is more beautiful than you can imagine. The gait of the women is particularly admired. The heavy ones have difficulty in keeping their balance, but the light ones pick their way along as prettily as hens walk over hot ashes. Young girls go barefooted. For some years after they are of age to put on their shoes, they suffer with lameness and sore feet—after that their feet become permanently deformed, and they have no more pain. Walking is, however, not a favorite practice with them, and running is impossible. The government of the Dayous is really democratic, the ruler being chosen annually by vote of all the people; yet it is said the women do not want to vote. All they care for is plenty of hair and little shoes. The men are satisfied with this division, and the state is quite prosperous.

A country pedagogue had two pupils, to one of whom he was partial, and to the other severe. One morning it happened that these two boys were late, and were called up to account for it.

"You must have heard the bell, boys why did you not come?"

"Please, sir," said the favorite, "I was dreamin' that I was goin' to California, and I thought the school-bell was the steamboat-bell, as I was goin' in."

"Very well," said the master, glad of any pretext to excuse his favorite. "And now, sir," turning to the other, "what have you to say?"

"Please sir," said the puzzled boy, "I—I—was waiting to see Tom off!"

A German telegraph operator has discovered a mode of sharpening, with mathematical accuracy, any number of steel or iron wires, by the agency of the magnetic current. The discovery may be applied to the manufacture of pins and needles, and do away the present process of grinding the points, so injurious and extensively fatal to the workman.

Naughty boys at New Orleans cut the tails off the cows in the suburbs of that city, and sell them to the chignon-makers.

SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUISINE, with which all are familiar.

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

NOT TIME.

We have no time for personalities with the Governor's drunken profligate darling.

The Governor would fain, with Kirk, call the people from reflecting and talking about the peculations and frauds of his administration.

His son Joseph wishes to call the SENTINEL from the exposure of Dad's administration, to personalities with his unimportant self. He calls us a liar, coward and drunkard.

Except on one occasion we have not taken a drink in two months. We defy Joseph to name an honest man who will say he ever saw us drunk either as a man or boy.

Joseph says we are a coward, and quail when we meet him in the street. Who would not quail at meeting so much baseness in breeches! He says we lie about the difficulty between himself and Pike. We told the story as it was told to us. Pike said any and every where that he knew enough about the Governor and his administration to put all hands in the penitentiary.

It is very certain he drew a pistol on "*quailing*" Joe, and if he denies it we will prove it on him. As he does not deny Shakespear, the blacksmith's choking his tongue out of his mouth we will put that down as admitted.

He calls us a liar in saying he threatened to shoot us on sight. We only say, a truthful Republican told us so; we charged it a year ago, and Joseph never denied it until now. *Quailing Joe* will not deny telling Col. Moore that if we had shot him, that he (Quailing Joe,) would have killed us in five minutes.

As to the bawdy house portion of Joseph's article, we must decline to notice it. The readers of the SENTINEL are so unlike most of the readers of the *Standard* that they would not enjoy it any more than they did the article "Work."

We have heard of the "*Quailing*" threatening when drunk to publish all Democrats who visit drinking saloons, in retaliation for our publication of himself and Dad.

All we can say, is quail on "quailing." We have no time to devote to you. The peculations, oppressions and corruptions of Dad's administration shall be our theme, until the August election.

Isaac R. Self has received the Conservative nomination for the House of Representatives in Lincoln county. Mr. Self was a gallant soldier and is a true man and sound Conservative.

TO THE OLD WHIGS.

We should do violence to our own conscience and feelings should we suffer the present political crisis in our State to pass by without a word directed especially to the old Whigs of North Carolina.

Before the war, during the war, and since the war, our opinion and judgment of men and measures have been well received by a great majority of the well meaning and reflecting men who once constituted the Whig party. We have never been charged with deceiving or betraying them. No man of the South or the North made a more determined opposition to secession than we did, until the actual collision of arms at Fort Sumter.

We voted against every measure tending to secession. We voted against arming the State in 1860-'61, and against calling a Convention. We voted at the polls, in February 1861, "against Convention." It is true, our vote did not count, for Gov. Holden killed it by voting "for Convention."

In 1864, in the Confederate Congress, when Mr. Davis was trusting for success to the return of deserters, and Gen. Lee, as shown in his letter to Mr. Hunter, was trusting to the aid of the negroes, we, by resolutions offered in the Congress, called for negotiation and peace. These Resolutions and the discussion on them, brought about the Hampton Roads mission, and the meeting of Messrs. Lincoln and Seward on the one side, and Messrs. Hunter, Stevens and Campbell, on the other.

We did not propose peace to betray the Confederacy, but because we knew that, with 76,000 deserters already from the army, and others going at the rate of 50 to 100 a night, our subjugation was certain, and that then there could be no terms but the will of the conqueror.

At that time, with three large armies in the field, we might have obtained terms that would have kept the feet of Holden and the carpet-baggers off our necks, and the hands of Littlefield, Deweese and Laflin out of our pockets.

In 1860 '61, while we, with Gilmer, Graham, Morehead, Worth, and the old whigs generally, were battling for the Union, Gen. Scott wrote a letter or manifesto to the Secretary of War, dated Oct. 29th 1860, talked of a disintegration of the Union, and recommended the establishment of four distinct Confederacies. He proclaimed the right for "the wayward sisters to go in peace."

Greely, on the 7th day of December of that year, said, in the *Tribune*, "If the Declaration of Independence justifies the secession from the British Empire, of three millions of colonists, in 1776, we do not see why it would not justify the secession of five millions of Southrons from the Federal Union in 1861."

At this time, Gen Clingman, Judge Rodman, Judge Cantwell, Victor Barringer and other (now) Republican hypocrites, talked of lynching us; called us "worse than Greely."

Now, Greely and they are Union saints together, and we a despised "*rebel*."

Clingman, Cantwell, Rodman and Barringer, "though their sins were like scarlet," and their hands against the Union red with blood, yet, through the Union thief, Deweese, and a little Congressional washing, have been made "white like snow."

Even Judge Rodman, who ordered Union men to be shot, and Gov. Holden, who called for "the head of Abe Lincoln," though they cannot obtain the forgiveness of God or the decent men of North Carolina, have obtained full pardon from Deweese and the Radical Congress, through some potent agency.

Remember, old Whigs, that eighty thousand negroes, oath bound in leagues, headed by Holden, Billy Smith, and three other signers of the ordinance of secession, with such old secessionists as Rodman, Clingman, Cantwell, Hargrove and Clarke, make up the Radical party in this State.

The old Whigs of such counties as Wilkes, Montgomery, Randolph, Davidson, and others that might be named, at least many of them, say they cannot vote the Conservative ticket for fear of being called *Democrats*, yet they follow and vote for Holden, Rodman, Cantwell and others of the veriest Democrats of the secession type, whom they once pretended to hate so cordially. There is an inconsistency in such a course that is hard to reconcile.

Old Whigs don't make themselves Democrats by voting against such men, who have robbed the people and ruined the State.

The party in North Carolina opposed to the Radical or Republican party, is known as the Conservative and Democratic party. It is composed of old Democrats and old Whigs, and to co-operate with it makes neither a Whig a Democrat or a Democrat a Whig. It only proves that neither of them are Radical in principle, or Radical in sympathy.

There are, practically, but two parties in North Carolina, at this time—the plunderers and the plundered—the oppressors and the oppressed; on which side, we ask, should old Whigs place themselves? On which side should any man, who wishes well to his State, place himself?

The following is a letter from Hon. F. E. Shober, written to the Western *Sentinel*:

HOUSE OF REPRESENTATIVES,
WASHINGTON, CITY, June 25th, 1870.

Editor Sentinel, DEAR SIR:—I find a paragraph in your late issue declaring it my duty, as the only Conservative representative in Congress from North Carolina, to vindicate her people from the calumny which has been cast upon them.

I needed no such admonition, for as a citizen of the State, and having the honor of her people, to some extent, in my keeping, I feel deeply the wrong which has been done them, and it will be my pride and pleasure at the proper time to resent it. It must be remembered, however, that until some matter pertinent to this subject shall be considered by the House of Representatives, I cannot obtain a hearing upon it. Should such opportunity occur, I shall assuredly avail myself of it to vindicate an outraged people.

Very truly yours,
F. E SHOBER.

For the Sentinel.

BUNNSVILLE, YANCEY Co., N. C.
June 24, 1870.

Editor Sentinel:

DEAR SIR: The people of our peaceful county are greatly excited to day. Geo. W. Kirk, a man of a notoriously bad character, of East Tennessee, has been commissioned by the Governor of North Carolina to raise a regiment of troops, and is sticking up his advertisements for volunteers, calling on the people to volunteer. It seems that he is to raise the 3d N. C. Regiment, for what purpose we will leave it for wiser men to conjecture. I send you one of his advertisements which you can copy, that the people may think for themselves. We consider it a declaration of war on somebody, we know not who. The people of this county have lived in peace and harmony since the war, and had hoped that the tread of the war horse and the war whoop would be heard no more in the mountains.

Shall we never have peace?

The Radicals are surprised to see this fiend in our peaceful county, on his present mission, and say that if it is necessary to raise a military force for any part of the State, that some other man would be better suited for the task.

The Sheriff of our county told Hon. David Proffitt and myself in the presence of other gentlemen, and would tell the Governor himself, that he needed no military assistance to execute the laws in our county. I will ask you a question or two and if you cannot answer them, ask the Governor or somebody else.

1st. Is there not a Radical in North Carolina capable of commanding a regiment? If there is, why does the Governor borrow Kirk from East Tennessee? Rads are you not all dead?

I will say in behalf of the good people of this county, that if this military force is to control the election it is all in vain, for they will vote as they please as long as the Constitution gives them the right to do so.

If you wish to publish this you can do so, for I am responsible for what it says.

Very respectfully,
Your obedient servant,
J. A. H.

MEETING IN CURRITUCK.

At a meeting of the citizens of Currituck county, on the 18th inst., held for the purpose of nominating candidates for the county, and to appoint delegates to the Edenton Convention, to be held Thursday, 23rd inst., which Convention is to nominate candidates for the Senatorial District and a candidate for Congress, B. M. Baxter, Esq., was called to the chair and Wm. B. Shaw was requested to act as Secretary.

The Chairman explained the object of the meeting with language appropriate to the occasion, calling upon the people in his earnest way, to stand by the right as good citizens, lovers of liberty and free men.

Josiah Turner, Jr., being present, the Chairman appointed a Committee consisting of Jos. B. Morgan and Benj. T. Simmons, to wait on Mr. Turner and conduct him to the hall. Mr. Turner favored the meeting with a short talk, in which he, in his usual way, portrayed the corruption, criminal conduct and meanness, generally, of the party now in power, closing with an appeal to the people to rise in their might and root from office the dishonest men now in power and place, and put good men in office. The speech was good from beginning to end, as all who know the ability of the speaker will judge.

On motion, the chair appointed Dr. J. J. Baxter, B. T. Simmons, Thos. L. Sanderson, Wm. C. Stone, J. B. Morgan, Dan'l. C. Lindsey, Dr. Henry G. Land, C. Jones, Henry White, L. N. Simmons, Hodgers Gallop, to draw up resolutions expressing the sense of the meeting.

The names of the township delegates were called and those who answered were invited to take part in the meeting.

The Committee on resolutions, through its chairman, J. J. Baxter, M. D., reported the following which were unanimously adopted:

Resolved, 1st, That in Josiah Turner, Jr., the editor of the SENTINEL, we recognize a great champion of the principles which alone can lead our country to a release from Radical rule, and place our "good old North State" upon its ancient basis of prosperity and happiness.

2nd. That we pledge ourselves to a hearty support of the candidates who may be nominated by the delegates to this convention, and that we express ourselves utterly at war with the principles of the party now in power, and pledge ourselves, that by every honorable, means in our reach, we will do our uttermost to rid our land of the corruption with which it is now filled.

3rd. That we, to day see more reason than ever, why we should redouble our efforts in behalf of the people, in relieving them of the heavy burden of taxes with which they are loaded by the radical rule.

The committee on nominations reported the names of the following gentlemen, which report was adopted.

Legislature—James M. Woodhouse.
Sheriff—Thos. F. Baxter.
Treasurer—Wm. Snowden.
Register—Wiley Mathias.
County Commissioners—Dr. G. N. Halstead, Caleb Sears, Wm. C. Stores, Jas. Hobbs, and Henry White.
Surveyor—M. S. Ferebee.
Coroner—John Q. Mathias.

On motion, the Chair appointed B. F. Simmons and Dr. J. J. Baxter to wait on Mr. Woodhouse and inform him of his nomination.

On motion the Chair appointed the following delegates to the Edenton Convention, viz: D. Landsey, Dr. Land, John Newbern, H. Gallop, H. White, C. Capon, H. Bell, N. Simmons, J. Bernard, Dr. G. N. Halsted, T. Sanderson, T. Sanderlin, G. Jones, T. F. Baxter, J. J. Baxter, J. S. Cox, P. H. Morgan, W. H. Caswell, C. F. Baxter, J. Whitson, V. S. Pitts, P. Wilson, E. C. Seymour, W. Sanford, and C. C. Jones, who were instructed to propose the name of Col. William F. Martin as a candidate for Congress. The Chairman and Secretary were added to the delegation. The business of the meeting being over, loud calls were made for Mr. T. J. Jarvis, who responded with an appropriate speech.

Col. Martin was then called, who also responded with a speech, on which it is useless to comment, as all know the ability of the man.

On motion of T. F. Baxter, the thanks of the meeting were tendered to Hon. Josiah Turner, of Raleigh, for the very able speech delivered before the meeting.

On motion it was ordered that a copy of the proceedings of the meeting be sent to the SENTINEL at Raleigh, for publication.

On motion the meeting adjourned.

TOWNSHIP MEETING.

The Conservatives of Marks Creek township assembled at Mrs. Hood's store, on Saturday, June 25th, 1870, for the purpose of nominating candidates for township officers.

On motion, George W. Scarborough was appointed Chairman and J. R. Nowell requested to act as Secretary.

The chair then explained the object of the meeting in a very appropriate manner.

On motion, a Committee of ten was appointed to recommend suitable men for township officers. The chair appointed L. W. Hood, R. J. Houlder, Jesse Anderson, Jos. Blake, John W. Smith, Dr. Walter Debnam, Dr. W. E. Richardson, J. E. Todd, H. B. Falson and A. J. Strickland.

The Committee recommended the following ticket:

For Clerk—J. R. Nowell.
For Constable—A. H. Tucker.
For School Committee—R. G. Dunn, Jno. W. Smith and J. E. Todd.

On motion, they were nominated by acclamation.

Dr. Debnam then introduced the following resolution which was unanimously adopted:

Resolved, That we adopt the Legislative Address as embodying the sentiments of this meeting.

The Hon. Josiah Turner, Jr., being called for addressed the meeting in a long and able speech which did credit to himself and the occasion.

On motion, the meeting then adjourned.

GEORGE W. SCARBOROUGH,
Chairman.

CONSERVATIVE CONVENTION.

A Conservative Convention held in the town of Plymouth, N. C., on Wednesday the 22nd June for the purpose of nominating a candidate for the 2nd Senatorial District, composed of the counties of Martin, Washington, Tyrrell and Dare.

On motion, W. T. Crawford, of Martin, was called to the chair and R. B. Salisbury, of Martin and W. C. Downing, of Washington were requested to act as Secretaries.

The Chairman ably explained the object of the Convention.

Capt. S. S. Johnston placed in nomination the name of Maj. L. C. Latham, who received the unanimous vote of the Convention, whereupon a Committee of four, viz: J. Edwin Moore, Capt. S. L. Johnston, Edw'd McLees and Wm. Happer, were appointed by the Chair to wait upon Major Latham, who came forward, accepted the nomination, and addressed the Convention in an able and lengthy speech, and at the close Mr. J. Edwin Moore, of Martin, was loudly called for who came forward and also addressed the Convention in an able and telling speech.

The Convention thereupon adjourned.

CASH ASSETS - - - - - - - - $500,000.
YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A
NEW SYSTEM,
devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in
MODERATE CIRCUMSTANCES,
and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in many cases, considerably lower than those of the leading Mutual Cash Companies.
The Excelsior issues Policies on all the plans of *Mutual* or Stock Companies, extending to policy holders, all the really desirable advantages. Its policies being *non-forfeiting*, the insured as privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a *privilege* which has never been offered by any other Company, that of converting Policies into
ANNUITY BONDS,
after the payment of 5 or more annual premiums.
☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this State, the claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and has additional privileges of converting policies, which the holder can not afford to keep up, or when to discontinue because of the death of those for whose benefit the policy was secured, *Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*
Circulars giving full explanations and any other information, will be cheerfully furnished.
The most liberal arrangements, will be made with first class solicitors, to push the Excelsior forward in the Old North State, in that position which her low rates and most ample security entitle her to occupy.

Buffalo Springs, Mecklenburg county, opened for the season, terms very moderate.

Good milch cow with a young calf for sale, G. T. Stronach.

Tax payers of Raleigh—notice in regard to assessment of real estate, by a Committee.

PERSONAL.—We had a call to-day from Mr. T. C. DeLeon, formerly editor of the Mobile *Register*. Mr. DeLeon is now engaged in the insurance business, and visits the State with a view of making agents for his Company.

ROLESVILLE AHEAD.—Mr. J. J. Sanderford, of Rolesville, Wake county, has left at our office a stalk of cotton measuring 34 inches in height, with limbs 18 inches long. It has on it 50 squares or forms and two blooms.

This is the first for Wake, that we have heard of; who comes next?

FAREWELL.—To-day was set at the Yarborough House, the last dinner under its present hard-to-beat landlord and his matchless helpmate. To-morrow it will be closed to prepare for the auction of furniture which begins on Tuesday next, July 5th.

The Yarborough held its own to the last; at least we judge so from the nice dish of ice cream and cake that made their appearance in our office from there, just as the thermometer reached the highest figure noted by Pink Hardie, at the sign of the Indian girl, to-day.

Well, we hate to give Blair up; and we hate to see the Yarborough house closed, even for a short time; but wherever Mr. and Mrs. Blair locate, there will be a good Hotel kept.

We understand Dr. Blacknall is at present North, laying in new furniture, &c., preparatory to re-opening the Yarborough house at the earliest day practicable.

A SCRIMMAGE.—Bill Bookram and Hal Hogan, two colored servants at the National Hotel, got into a bit of scrimmage yesterday, in which Hogan came out second best. Not satisfied with the result, he waylaid his antagonist last night and Ku Kluxed him by trying the difference of callosity between Bookram's head and a paving stone. A colored man, who is our informant, says the stone proved the hardest and Bookram's head was badly hurt.

The following officers were elected by Manteo Lodge, No. 8, I. O. O. F., at the regular meeting on Tuesday night last:

N. G.—Wm. P. Wetherell.
V. G.—H. C. Prempert.
R. S.—Phil. Thiem.
P. S.—M. W. Churchill.
Treas.—Chas. M. Busbee.
G. Rep.—Seaton Gales.
Alternate.—P. F. Pescud.

LAYING THE CORNER STONE.—The ceremony of laying the corner stone of the Steam Fire Engine house, will take place next Thursday, (instead of Tuesday as had been spoken of,) at about 5 o'clock, P. M. The ceremonies will be conducted and the stone laid by the Masonic Fraternity, and seats for the ladies will be provided.—Kemp P. Battle, Esq. has been chosen as the orator of the occasion.

A full programme will be published before the day.

STOCKHOLDERS' MEETING.—Annual meeting of the Stockholders of the R. & G. Railroad, at Raleigh, July 21st.

Of the Chatham Railroad Stockholders, on the 18th.

But the most interesting part of the notice is that the R. & G. Railroad Directory is enabled to declare a dividend of 5 per cent. on the capital stock of the Company, payable on and after the 15th of July.—This speaks well for the management of the Road, and must enhance the value of the stock.

WESLEYAN MALE ACADEMY.—This school was very successfully conducted, the first session of the present year, by Rev. L. H. Gibbons. The Fall session will commence on Tuesday next, July 5th, under the same charge. Boys can here receive a thorough Academic education, or be prepared for any class in a regular College course.

The school building, situated on the lot adjoining the M. E. Church, is pleasant and roomy, and the terms for tuition moderate

W. D. Russell vs. J. B. Stewart, from Mecklenburg county. Counsel for plaintiff, J. H. Wilson, Esq., and for defendant, C. Dowd, Esq.

GRAND REPUBLICAN RALLY.—On Saturday last, "according to previous notice," the Reds of Dutch township, in Granville county, under the marshalship of Mr. G. W. Rogers, brother of our Calvin, were going to have a grand rally, to nominate delegates to their county convention, which meets in Oxford to-morrow. Well, they rallied and rallied, until time to call the meeting to order came and passed, and time wore, and still only G. W. and three colored Reds had made their appearance on the ground.

The question arose whether G. W. should make "the other three" chairman, or the "other three" should make him chairman? And then, who was to be secretary? There was a plentiful lack of material, also to make committees of. The case was discussed up one side and down the other, and then through the middle, but no definite or satisfactory conclusion was arrived at. Finally G. W. appointed himself chairman and secretary, but before he could "explain the object of the meeting," it broke up in confusion, and the world at large lost the light of caged wisdom that would have deen turned loose on the occasion, and the *Standard* a flaming account of the "grand Republican rally in Dutch township."

RALEIGH AS AN EDUCATIONAL CENTRE.—We are pleased to learn that the Baptists have purchased the splendid Rayner property, and propose to open a Female Seminary of high grade there. Dr. William Royall, late Professor of languages in Wake Forest College, has accepted the position of principal of this institution, and is now organizing an efficient corps of instructors, so as to begin operations at an early day.

The last term of St. Mary's school was one of great prosperity; the Raleigh Female Seminary, presided over by Dr. and Mrs. Lacy, also did admirably well, and the stockholders of the Peace Institute are pushing forward that enterprise to completion. The Presbyterians, Episcopalians and Baptists will thus have good institutions located here for the education of their daughters. Why may not the Methodists also centre upon Raleigh instead of Hillsboro or Greensboro' for the erection of a first class school, and thus make our beautiful little city the literary Metropolis of the State? The existence of so many schools will not interfere with the prosperity of each other—indeed the emulation which will be naturally generated by their contiguous positions, will promote the interests of each.

At any rate, of this much we are certain, the State affords no more eligible location for the establishment of schools, whether male or female. Raleigh is accessible, it is as healthy as any place in the world, it abounds with as many gentlemen of talent and ladies of refinement and beauty as grace the society of any city of the same size in the whole country. It has large and prosperous churches, presided over by able and excellent pastors, and thus it affords peculiar advantages as an educational centre for the whole State. Every good school is a blessing to the community in which it exists, and our enterprising business men could not more efficiently advance the moral and intellectual as well as the material interests of the city than by contributing to the establishment and prosperity of schools in our midst.

Prof. Graban is delighting Wilmington with musical entertainments.

The annual commencement exercises of the Academy of the Incarnation in Wilmington, took place on Wednesday evening.

The occasion is spoken of by our Wilmington exchanges as one of absorbing interest.

CHANGED HIS BASE.—Our young townsman, Mr. H. C. Reed, for a long time known as connected with the Life Insurance business in this State, has accepted the position of Soliciting agent in this State, for the Excelsior Life Insurance Company, under P. F. Pescud, Esq., General Manager, and will commence operations forthwith.

Some Greensboro' Clerks, recently imported from the corn field, can't now go to their meals without having on kid gloves to protect their hands. So says the *Patriot*.

The Post Office at Fullwood's, Mecklenburg county, has been discontinued.

A large revival has been going on at the M. E. Church in Rutherfordton.

Col. Jno. N. Whitford, of Jones, has been nominated by the Conservatives of Jones and Lenoir, as their candidate for the Senate.

LONDON, June 30.—At a meeting in this city, participated in by the opponents of the Anglo French Commercial treaty, Joshua Fielding, conservative member of the House of Commons for York occupied the chair. He delivered a violent speech against the treaty. He himself, was a cotton manufacturer and merchant of Manchester. He was able to show the unfavorable affect of the treaty on the cotton trade of Great Britain.

After speeches by other persons, resolutions were unanimously adopted denouncing the treaty as the cause of industrial prostration, and calling the Ministers to account for denying an investigation of the subject.

The meeting was large and harmonious.

The recent (fire) disaster in Constantinople, involving an insurance of $100,000,000, is said to fall heavily upon British Companies.

COMPARATIVE COST OF LIFE INSURANCE, as exhibited by an insurance in the Widows' and Orphans' Benefit Life Insurance Company of New York, under their system of Tontine Dividends, and an insurance in any other Company, under its system of annual dividends. For illustration, suppose a person aged 27 years, insures in a company charging on a ten annual payment policy of $10,000, an annual premium of $535.70.

He would pay in 10 years,	$5,357 00
Less an average dividend of 40 per ct.	2,144 80
Making the nett cost of his insurance in 10 years,	$3,214 20
In the Widows' and Orphans' Benefit Life Insurance Company, his annual premium would be $349 10, and in 10 years he would pay	$3491 00
Less Tontine Dividend in cash, at end of 10th year,	3,291 00
Making the *nett cost* in W. & O. Life Insurance Co., in 10 years,	$199 29

Giving a clear saving in 10 years of $3,014 91, by insuring on the Tontine plan.

This plan of insurance is fully endorsed and recommended as better to the assured, and giving greater security to the Company and policy-holder, by the Hon. Wm. Barnes late supt. of the Insurance department of the State of New York, and by the leading Financiers of New York, as well as by all competent insurance actuaries in the United States. The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

92 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE N. C.

THE EQUITABLE
HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (term assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863 the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

A NEW DISCOVERY!!
PHALON'S
"VITALIA;"
Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

UNPRECEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION
Button Hole & Sewing Machine

Has been honored with the highest award in premiums and diplomas wherever entered for competition at fairs and exhibitions held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Places it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch, or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs Tourney's Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers gratis.

No more Smoke!—No more Grease!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the stablishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Chronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Dysintery. They are also a great value in those affections which are peculiar to the female constitution, and as an appetizer, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM" The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, all in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
